### CORRIGENDUM

1. In the article titled *Sectoral Growth and Income Inequality in ASEAN-5 Countries: Case of Low-Middle Income Economies*, the last name of one of the authors whom I cite, "Iván González-Górdon", was misspelled in the text citation and the references as "Górdon." Therefore, the reference should be cited as follows: "González-Gordón, I., & Resosudarmo, B. P. (2018). A sectoral growth-income inequality nexus in Indonesia. *Regional Science Policy & Practice*, 11(1), 123-139.". Accordingly, the text citation should also be corrected and written as follows: (González-Gordón & Resosudarmo, 2018).

2. Still in the same article, part of the statement in the note under Table A1 and Table A2 was mistakenly written as "Significance level \*\*\* $p < 0,001$ , \*\* $p < 0,01$ , and \* $p < 0,05$ ." It should be written as "Significance level \*\*\* $p < 0,1$ , \*\* $p < 0,01$ , and \* $p < 0,05$ .". This correction does not affect the main result at all.

The author would like to express his gratitude to the Journal of ASEAN Studies' editorial team from Binus University for giving this correction opportunity and to Ivan González-Gordón, who helped the correction.
